Top Concerns All Regions

1. Cost of Healthcare
2. Cost of All Employee Benefits
3. Attracting/Hiring Qualified Employees
4. Regulatory or other Interference from the **Federal** Government
5. Economic Uncertainty
6. Regulatory or other Interference from the **State** Government

“**Those who cry out that government should
'do something' never even ask for data on
what has actually happened when the
government did something, compared to
when the government did nothing.**

”

Thomas Sowell
