OHIO CHAMBER RESEARCH FOUNDATION FELLOWS PROGRAM

INTRODUCTION

The Ohio Chamber of Commerce invites you to become a founding sponsor of the Ohio Chamber Research Foundation (OCRF) Fellows Program—a groundbreaking initiative designed to improve Ohio's business climate through economic thought leadership, business innovation, and free enterprise advocacy.

As a sponsor, your organization will play a pivotal role in shaping the future of economic policy and competitiveness in Ohio.

> ABOUT THE OCRF FELLOWS PROGRAM

The OCRF Fellows Program is a centerpiece of the Research Foundation. The program will engage experts from policy, academia, and business to develop research-driven policy strategies that advance Ohio's economic growth and global competitiveness.

> FELLOWS WILL:

- Publish research and op-eds on key economic challenges and opportunities.
- Speak at state, regional, and national conferences.
- Advise policymakers and business leaders on pro-growth strategies.
- Lead workshops and seminars focused on business development and innovation.

By funding and supporting this initiative, your organization will be at the forefront of thought leadership that directly impacts Ohio's economic future.

KEY DELIVERABLES

We offer several sponsorship levels, each providing unique branding and engagement opportunities for your organization.

By partnering with the **OCRF Fellows Program**, your organization will:
